"Further, please be advised that the Florida Governor's Office has declared a state of emergency due to the Coronavirus (COVID-19). As reported by the Center for Disease Control and World Health Organization, COVID-19 can spread from person-to-person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These

droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth. Therefore, merely cleaning facilities, while extremely important and vital in this crisis, may not be enough to stop the spread of this virus. “

“That said, the District wants to encourage public participation in a safe and efficient manner. Toward that end, anyone wishing to listen and participate in the meeting may do so by accessing <https://us02web.zoom.us/j/85624581095> or by calling **1-929-205-6099**, followed by **meeting ID 856 2458 1095**. Additionally, participants are encouraged to submit questions and comments to the District’s manager at adamsc@whhassociates.com.”

If you have any questions, please contact me directly at 239-464-7114.

Sincerely,

Chesley E. Adams, Jr.
District Manager
